The injustices within which I have battled seems to have run into a brick wall of silence. If the Supreme Court will not acknowledge receipt of my submissions, that very fact needs to be appealed to the Joint Committee of Privy Council.

The Justices of the Supreme Court

Dear Honourable Justices:

I was required in the past hour to complete a Feedback Survey of my two recent consultations that I had with my GP Surgery (LongCatlisRoad(General advice consultation answers).pdf; and 5 Nov 2021 LongCatlis(eConsult)Generaladviceconsultationanswers5Nov2021.pdf: In addition to the standard questions and box ticking answers that I provided, I submitted the following:

Long Catlis Road needs your feedback

Yahoo/Inbox

eConsult Service <econsult@webgp.com>

To:shantanupanigrahi@yahoo.com

Mon, 8 Nov at 19:02

DO NOT REPLY TO THIS AUTOMATED EMAIL, especially with your personal or medical details.

Dear Shantanu,

You recently used the eConsult service at Long Catlis Road to submit an online consultation.

We'd love to know what you think about it.

Click here to take a short survey about consulting online at Long Catlis Road. It should only take about 5 minutes.

Your feedback will be shared with Long Catlis Road to help them improve how you access your GP's services. And the survey is completely anonymous. Kind regards, eConsult

You are receiving this email because you agreed to participate in a survey about the eConsult service when you completed an online consultation

Completed the Feedback with the following additional comments inserted:

The receptionist told me today that the GP had tried to telephone me yesterday, but I was not available to take the call. I explained to the receptionist that Prostate MRI scan referral was recommended for my Urology referral by Medway Maritime Hospital. She took down the notes on the computer and said the Doctor would look at it and if he/she needs to speak to me again they would contact me. No telephone calls came, so I am disappointed with the system.

The first of the two recent E-Consult representations I made was on 1 November 2021 when I requested the Surgery to stop prescribing any more medications to me for, they were not solving anything for me. I was defaecating and urinating badly with my prostate problem. I was also discharged twice by the Britton House Community Health Team in the past few months but do not understand why I have still got to take risperidone, sertraline and depakote medications as these are now totally unnecessary. Dr Ivamo's contention that the Urologist in Medway Maritime Hospital would decide on these and other medications like Tamsoulostin and Finasteride as well as Atrovastatin that I currently also take daily is disheartening for I do not believe that medications should be taken unless one is severely in pain as the only circumstance that I would take them. So only pain killers for me are what I have said in the past. Twenty years of mental health medications have not stopped me from carrying on living peacefully and positively to contribute to my mission of generating Knowledge for World Conservation and I have successfully written 20 books in the past 6 months alone through my company The Conservative Libertarian Publications Limited of which I am the Managing Director. I have also a dozen or so websites in which I disseminate all my research findings as a philanthropic mission for the benefit of mankind. So, the Surgery should think again and give me a face-to-face appointment to explain what I have done wrong over the years to deserve to be labelled a mentally deranged person whose liberty should be restricted by semi-detention at home under enforced mental health medications.

I am satisfied that the E-Consult process enables me to clearly state what my problems and issues are in writing to the GP Surgery for it is better to have these issues explicitly stated for the relevant authorities to take account of and then take the necessary actions. It cannot be helped that the MRI scan authorities of Medway Maritime Hospital have delayed my MRI scan for Prostate for over two years because they simply forgot about me since the last contact I had with Dr Bhatt who prescribed Tamsoulostin and Finasteride but these have not worked, and so it is definitely a Urological-Defaecation issue relating to the medications that I have been taking for mental health as seemingly a precautionary measure rather than for there being any need of the medication to have anti-psychotic, anti-depression and mood-stabilising effects on me. I am not depressed, and my mood is very calm. I write profusely that is the way I control my mental peace of mind. I hope you will take this into account and get me an appointment as soon as possible and not wait for the Urology Department to contact me after 19 November 2021.

I would like to state that telephone responses are not going to solve any patient's problem: the responses of the GP Surgery must be accompanied by an email to state categorically what the next step is. If another consultation is necessary as in Dr Ivamo's estimation, an appointment should have been offered to me for a face-to-face Meeting, not a telephone Hearing made all of a sudden, and which I was unavailable for so could not answer. Dr Ivamo should at that point have sent me an email or a text with what he had decided following examination of the details of the two E-Consult requests that I made, the second one being on 5 November 2021. So while

the facility of E-Consult provision is highly desirable for the patient, since these are legal records for the Supreme Court of the United Kingdom to consider with reference to my Claim against the Prime Minister of the United Kingdom, Mr Boris Johnson for overseeing 20 years of negligence from the Health Secretary past and present, the Surgery needs to now examine everything of my diagnosis and treatment for mental health including the two periods of sectioning in mental hospitals (2004 and 2009) to justify the actions of the National Health Service. The sooner you do that the sooner this matter can be put to rest.

Your experience with using the eConsult service

Dear Mr Khan

This is true is it not? Further, were you put under some pressure from other sources not to undertake the private prosecution of the Chief Constable of Kent Police at Maidstone Crown Court on Appeal from the decision of the East Kent Magistrate's Court?

I should remind you that you had sent me contractual-documents that were signed by me and returned to you so it was a binding contract with yourself that has to be fulfilled now belatedly, as set out by ~~~Cherie below.

I am sorry if I gave the impression that Muslims were dim-witted enough to read the Quran and abide with all its formal instructions here in the United Kingdom, but did religion in me not being a Muslim form a part of your considerations that you did not act for me previously?

Kindly confirm if I have legal grounds to submit the N244 Form relating to HHJ Parfitt's failure to recuse, for that is the Order that needs to be appealed not the Order of District Judge Lightman the latter being a costs order as a consequence of HHJ Parfitt's earlier Order attached: CentralLondonCountyCourtJudgementorOrder19January 2021\_22March2021.

Dear Shan,

Re: E35YM660

Why have you not acted on this-

<https://www.judiciary.uk/wp-content/uploads/2018/08/khan-v-bsb-2018-ewhc-2184admin.pdf>?

HHJ Parfitt's prior involvement, however limited or tenuous, with Forz Khan in his capacity of litigant (not counsel), your lawyer at the time Nick heard E35YM660, as documented in is adequate to require him, in accordance with the Civils Procedure Rules (CPR) to recuse himself from your case. If in error or ignorance of the facts he did not do so, his ruling itself is voidable upon application.

Parfitt seems to like giving unentitled women 30 grand diamonds. An astoundingly unjust judgment from 2018. He isn't very bright, as dim as Lightman, and will reverse his decision on suitable application of judicial conduct pressure. I eat judges like him alive every other week.

Keep the N244 succinct. Do not bring in vishishta advaita or other irrelevant nonsense. For once, win. Be fast. You'll be out of time in about six weeks.

Further -- stop threatening to behead HMQ and wasting police time and insulting Muslims and harassing women. It isn't funny.

Who is the person answering 07825521586?

"Your message wasn't delivered to vopa@gmail.com because the address couldn't be found, or is unable to receive mail." ~~ 17 November 2021, 19:08 GMT

My emails are accepted by vopa@gmail.com, so they must be blocking all your email addresses. I wonder why they are doing this?

You should not challenge the police in the way you are doing. And re-sending a link to a terrortraining manual too??

Who is this "barrister of many years experience"? Have you antagonised Mr Kahn with your comments about his apparent faith? Or is it you again pretending to be someone else, your nocturnal alter-ego?

In the same email forwarded to me you wrote "I should also reiterate my allegations that the Legal and Medical Institutions (including the Police Forces) of the United Kingdom are individually and collectively institutionally racist and institutionally corrupt from top to bottom"

But only one day earlier in <https://www.theconservativelibertariansociety.com/post/re-refiltered-re-home-visits-to-senior-officer-criminals2> you or someone impersonating you wrote "I am grateful to the United Kingdom authorities to have let me keep that despite all the delusional utterances in writing that I have done over the past 24 years. There was no racism in

the University of Greenwich, I got what I deserved for I had other internal convictions to seek the truth of our existence on this planet. I was seeking to find if there was a God and if so what kind of conduct He/she would expect from one who surrenders to him in devotion. That is why I have repeatedly stated that I would rather go to a mental hospital than leave this country or go to the Press media to complain about institutional racism or institutional corruption. Life is very pleasant here in the United Kingdom for us. All my actions including calling for Her Majesty the Queen to be dethroned or summoned by the International Criminal Court were naive speculations in my search for the truth. I have already apologised for my swearing on trollers or criminals for trying to have me booted out of the United Kingdom by making me stateless. They were all part of my yoga. I am sad that it has not been seen that way and I am still having to go to court to clear my name. But clear I must, coming to your original point of what i hope to do with my life. I will look after my family (God willing) and abide by the decision of the Courts. But I will never ever do anything to damage the reputation of the United Kingdom. I will take all the blame upon myself for the past 24 years of what I had earlier described as civil victimisation and stateorganised persecution"

The two are contradictory.

Are you trying to make it easy for them to section you under the MHA?

Why are you behaving like an idiot? They will say this is not trolling, this is paranoid schizophrenia which justifies indefinite incarceration under section 3.

He was involved in a plot to kidnap a former High Commissioner for India at London, England.  
 He has connections with ISI (Pakistan). RAW are aware. He was denied PIO status. He has  
 renounced his UK Citizenship and applied to Pakistan for asylum (denied). So repatriation rights  
 are uncertain. All this is in the files to which Shri Mishra has ready access. He has been  
 sectioned (detained by force and placed in a lunatic asylum) multiple times under the British  
 Mental Health legislation. He has been removed from all jobs because of unacceptable  
 conduct. From a University in Greenwich, England, because of sexually inappropriate conduct  
 and harassment of a lady professor. From a  
 supermarket in South England, for biting a co-employee requiring injection for hydrophobia. He  
 is under Britisher's MI5 observation in England due to bomb threats. Etcetera.

Sincerely yours,

Panesar, Dr Sivaji (assumed name)

Dear Person Receiving Email at narendramodiji1234@gmail.com, obviously not PM Modiji,  
 and others including Ms Nicola Legge, who the lunatic named Shantanu Panigrahi is stalking.

Re VISA APPLICATION GBRLV28C421 received in November 2021 by the High Commission for India, London.

Note the following about the applicant -

Dr Panigrahi is a dangerous lunatic with ties to Pakistani I.S.I. and its agent known to RAW, Mohammed Khan Bakhri.

He has attempted to get various Indian diplomats expelled from UK. His local health service had so much trouble with his harassment and threats they had to publish the following policy - <https://www.kmptformulary.nhs.uk/media/1067/managementofviolenceandaggressionrtpolicykmptcorg01311.pdf>

He is on the M.I.5 list of people to be taken immediately into custody should a band 2 or 1 event occur in the UK.

Google for his name SHANTANU PANIGRAHI

You can see he is to be classified as a vexatious litigant to prevent his further abuse of the legal system.

Here is the schedule of approx. 1,750 of his victims at June 15, 2021 (now about 120 more)-

[https://groups.google.com/g/uk.rec.motorcycles/c/1aLUIPa4J\\_4](https://groups.google.com/g/uk.rec.motorcycles/c/1aLUIPa4J_4)

Here are some more items of evidence showing he is extremely disordered -

<https://archive.org/details/@panigrahi491>

Please take him back into India, after which we will ensure he never obtains re-entry into the UK.

We will take steps to revoke his UK travel document while he is abroad.

Note - MEA, MHA, RAW and BhuhCutt-Police are aware of his criminal activities.

Thank you for dealing with this gaandchodh,

Subject: Return to India

To

Honourable Prime Minister of the Republic of India

Please accept my deepest respects as Pranams

I am a family man who came to the United Kingdom with my parents, with my father being on deputation for the Government of India seemingly on diplomatic status as Indian Liaison Officer.

I stayed behind in the United Kingdom but went to marry a girl in Odisha State and we have a daughter born in the United Kingdom so having a British passport. My wife works for the Civil Service in the Government of the United Kingdom.

I will be 65 years of age on 15 January 2022 although my birthdate in the passport is written as being on 8 August 1957 due to some mistake administratively when I was issued with an Indian Passport in 1972 to come to the United Kingdom. I obtained a United Kingdom passport in 1984 through the naturalisation process to develop my scientific career in the United Kingdom.

My curriculum Vitae/Biodata is attached: CurriculumVitaeFullDrSPanigrahi2021.pdf.

The reason for writing to you is that in my retirement I would like to have a Visiting Lectureship at any of the Universities of the Republic of India. There are currently no restrictions on me to travel abroad on a United Kingdom Passport but my 6 monthly Visa application to the High Commission of India London for 2022 is still being considered. If I could get a visiting lectureship, I could apply for a 2 year stay in India for such a posting.

We have property in Kolkata (Flat at A13/3 Kalindi Housing Estate, Kolkata 89, and have village properties in near Bhadrakh in Odisha State. My parents are deceased but I have two sisters who are settled in Bhubaneswar.

I have been referred to write to you by my acquaintance in India Mr ShitikanthSingh A on Face.book: see Correspondence on Facebook with Shitikanth Singh A 18 Nov2021 on India Visa Applicaiton.docx.

Thank you for your kind consideration.

Yours sincerely

Hey chootia-lok,

As you must by now know, VOPA has intervened with MEA.

Result? Both your VISA applications are refused.

Time of decision - 21 November 2021 10:55 am

You are confirmed on the terrorism watch list. e-VISA will not be able to process any further applications from you. Your fee is being refunded this week.

We are notifying your sisters and brother-in-law Nihar accordingly.

You thought you could FXXXUP the lives of thousands of your victims and escape the consequences? We don't rely on karma. We retaliate directly. Both your naturalisation applications are now under audit scrutiny, partly for the anomaly re dates which is a consequence only of your putting false data in the application.

Behenchod Shantanu, you are unwelcome in the United Kingdom. You are unwelcome in India and your stupid wife's deportation destination of France also.

We suggest you FXXXOFF to Pakistan. PHC has been kept apprised of your published statements about "moronic Muslims" so they have a hot reception for you.

And thank you for providing us with Rekha's passport number, National Insurance number, etc. Some VOPA members have been requesting these for more than one year.

Warmest possible gratings and from Sivaji with poker

Marty

Dear Stripe

I was waiting to see out the morning Session in Medway Country Court in case the State authorities might adjudicate to guide me through a judicial process; but as I write (12.31 pm) no such email communication has been received and the Mobile Phone has not rung.

I am now in a position to address your questions in the email accordingly.

I withdraw my application for a loan of £250,000 for a project proposal in Dubai and I shall not be communicating with Mr Ayman Faisar again. Nor will I pursue any further litigations and private prosecutions against any individual or institution (withoug prejudice).

These are the two Membership Accounts that I hold with Stripe Bank and the shantanupanigrahi@yahoo.com (from which I am writing this email) is associated with the JOIN It Account whereas the shantanupanigrahi@aol.com is associated with the BRILLIANT DIRECTORIES Account

A transcript of a video update is a written version of everything said in the video. It helps viewers read along, understand the message better, and makes the content accessible for people with hearing difficulties. Transcripts are also useful for search engines and easier content sharing.

Many people use tools like youtube to mp3 and mp3 youtube to download the audio from video updates. This lets them listen offline later, especially when they don't have time to watch the full video. Like

Dear Mr Mitchell

Since you ignored my stipulation for posters to pay an annual Subscription Fee of £7 to post in the websites of The Conservative Libertarian Publication, and notwithstanding that the Supreme Court has had nothing to say to me concerning thee and other multifarious matters, I have referred this to the Judicial Committee of Privy Council from where a reply is expected within 10 days:

The injustices within which I have battled seems to have run into a brick wall of silence. If the Supreme Court will not acknowledge receipt of my submissions, that very fact needs to be appealed to the Judicial Committee of the Privy Council - refer to:  
[https://archive.org/details/appeal-process-begins-digital\\_20250621](https://archive.org/details/appeal-process-begins-digital_20250621): (this book up to the 21.50 pm (UK-Time) 20 June 2025).

The State's due process within the structure of the Justice System must be continuous or criminals will step in to persecute as has happened below today.

Dear Stripe

My Case should not be on hold by Stripe because I have done everything humanly possible to fulfil the legal requirements of the law on these matters and need to make progress with my

Company as well as the Appeal, the details of which you will find in the attachment to this email: APPEAL PROCESS BEGINS-digital.pdf

The Supreme Court of the United Kingdom has not contacted me about this matter so I presume that the Case remains for adjudication purposes with the District Judge at the Medway County Court.

Up until the time that the Court authorities from any of the possible venues contact me the work of the Company, 'The Conservative Libertarian Publications Limited' with the two Membership Accounts at Stripe Bank for JOIN IT and BRILLIANT DIRECTORIES should be allowed to continue without hindrance from yourselves; or else it will amount to contempt of Court.

In case Stripe disagrees with this deduction and retains the two the two Membership Accounts on 'hold', I am requesting the District Judge herewith to issue an emergency injunction immediately pending the full administration of the full Appeal at Medway County Court.

Yours sincerely

Dear Google

Thank you for this enlightening information from the State authorities in response to my communication to the Court authorities this morning (date: 13 Jul 2025, 06:05 am (UK-Time)) as attached: ToMedCtyCrtCenLonCtyCrtCrtofAppealKentPolice(Update on Work Progression of TCLPLtd)13Jul2025.docx

I have a clearer idea which way to turn now and rest assured that I will be doing my level best to ensure a smooth transition, no matter how long it takes and no matter how much consultation is required.

As things stand I have not had an immediate refund of the £150 Registration Fee paid for TCLP-UK to endorse it with the Electoral Commission, so I am assuming that the tentative deadline for me to find another official as Campaign's official remains at 24 July 2024.

I am pleased that the State authorities do see the need for a change to the democratic structure of the United Kingdom in order to facilitate a party that has republican undertones to participate in general and council elections. The people who matter is the electorate. The TCLP-UK's present Constitution entered into PEF-Electoral Registration Application must be voted on by the people out there instead of being bastardised or watered down by the Electoral Commission, in the same way that my House of Commons Petitions Committee Petition for a Written Constitution was watered down. Research since has shown that it was very well worked out by me after 25 years of experiencing the workings of the State functions.

I know that Josh Dunne has written to me that I should not be copying emails sent to different people to the Electoral Commission, but I am doing so on this occasion again for there is much at stake for the nation of the United Kingdom and we must all pull together and come to a common understanding on what is best for the country going forwards. In other words, the Foundation Stone of a new United Kingdom is being laid.

Accordingly, please send me the few simple things that I can do to make my site rank better now.

Yours sincerely

- (ai) protecting Tik Tok that perpetrated harassing terrorism on me concerning the marketing of 435 eBooks of the Conservative Libertarian Publications Limited.
- (aj) protecting Gurpal Singh Tiwana, Daneswari Kundeti, and three RaviKumars who had agreed to act as officials of the TCLP-UK in the Registration of the Party with the Electoral Commission in conspiracy with the Commission (£1,000,000); and

(ak) protecting Zarah Sultana and Jeremy Corbyn from discriminating as a Hate Crime against me in the consideration of 'Support Needed for New Party Formation' for me (£1,000,000)

Summary of Claim Amount:

The total amount claimed from United Kingdom Treasury for damages listed above is the tip of the iceberg: with the continued terrorism suffered by the Claimant the monetary value of the compensation Claim cannot be measured, but the Claimant now submits that £1.5 billion is justified.

#### CLARIFICATION OF DUE JUDICIAL PROCESS

The injustices within which I have battled seems to have run into a brick wall of silence. If the Supreme Court will not acknowledge receipt of my submissions, that very fact needs to be appealed to the Judicial Committee of the Privy Council - refer to:

[https://archive.org/details/appeal-process-begins-digital\\_20250622](https://archive.org/details/appeal-process-begins-digital_20250622)

The State's due process within the structure of the Justice System must be continuous or criminals will step in to persecute as has happened below today.

A transcript of a video update is a written version of everything said in the video. It helps viewers read along, understand the message better, and makes the content accessible for people with hearing difficulties. Transcripts are also useful for search engines and easier content sharing.

Many people use tools like youtube to mp3 and mp3 youtube to download the audio from video updates. This lets them listen offline later, especially when they don't have time to watch the full video.

Good morning Amulya

Thank you for connecting with me on this hopefully historic morning when I secured my first Member of the Conservative Libertarians (UK).

Now is not the time to shy away from the important task that we have for the United Kingdom as also for the world. Your country and the world needs you to save the planet and its inhabitants from premature extinction.

We need moral politics for the change to happen. This politics needs to be based on adherence to truth, justice and democracy within the country of ones residence and in comradeeship with the rest of the global society.

If you are interested in moral politics our Membership websites are at:

Dear Google

Thank you for this enlightening information from the State authorities in response to my communication to the Court authorities this morning (date: 13 Jul 2025, 06:05 am (UK-Time)) as attached: ToMedCtyCrtCenLonCtyCrtCrtofAppealKentPolice(Update on Work Progression of TCLPLtd)13Jul2025.docx

I have a clearer idea which way to turn now and rest assured that I will be doing my level best to ensure a smooth transition, no matter how long it takes and no matter how much consultation is required.

As things stand I have not had an immediate refund of the £150 Registration Fee paid for TCLP-UK to endorse it with the Electoral Commission, so I am assuming that the tentative deadline for me to find another official as Campaign's official remains at 24 July 2024.

I am pleased that the State authorities do see the need for a change to the democratic structure of the United Kingdom in order to facilitate a party that has republican undertones to participate in general and council elections. The people who matter is the electorate. The TCLP-UK's present Constitution entered into PEF-Electoral Registration Application must be voted on by the people out there instead of being bastardised or watered down by the Electoral Commission, in the same way that my House of Commons Petitions Committee Petition for a Written Constitution was watered down. Research since has shown that it was very well worked out by me after 25 years of experiencing the workings of the State functions.

I know that Josh Dunne has written to me that I should not be copying emails sent to different people to the Electoral Commission, but I am doing so on this occasion again for there is much at stake for the nation of the United Kingdom and we must all pull together and come to a common understanding on what is best for the country going forwards. In other words, the Foundation Stone of a new United Kingdom is being laid.

Accordingly, please send me the few simple things that I can do to make my site rank better now.

Yours sincerely

Dear Josh Dunne

1. It is not my objective to put the present Constitution of the TCLP-UK to the electorate for I am learning as I go along the due processes of the State of the United Kingdom in relation to the separation of the Court authorities from the general State authorities that have acted insidiously in dealing with my endeavours apparently destructively with the Court authorities turning a blind eye being all Monarchists as a singular Monarchical Establishment. The Constitution of the Party will therefore change to emphasise this fact and I will work on it now for incorporation into the PEF Online system for due processing as I secure officials for the registration of the Party at the Electoral Commission.

2. This will not an easy task for the whole idea that I have put forward is revolutionary thinking in that truth, justice and democracy is contemplated in unison; that is very difficult for the ordinary person to understand given that they are too busy in other things or have been manipulated by State authorities instead of leading independent lives. Here is an example of what I face:

 Hello all

Why is it that the people I invite to connect with me in LinkedIn know my Profile but never ever have a conversation of substance with me? - am I doing something wrong in establishing the TCLP-UK as a cultural republican party at the Electoral Commission and seeking some officials to come in with me into the process?

In future, when I randomly send out invitations to connect please do not bother to accept my invitations if you have this attitude problem too. My time is precious and I avoid tomfoolery.

3. Thus with your permission, I will revise the Party Constitution first then look for additional supporters and officials for entering their names into the PEF Form. So please bear with me in the meantime.

If we refund the fee, you are able to submit again at any time when you are able to provide the details of a second officer. Where that is the case, a 6-month extension is not required.

Your options are:

1 – We can conduct a formal assessment of your incomplete application. A rejection of your application will result in losing the £150. I have indicated to you that your application does not meet the requirements of the legislation on at least the basis discussed.

2 – We can refund your fee immediately and you can submit and pay again, once you are ready to submit a complete application.

3 – If you think you will be able to provide the details of a second officer shortly, we can hold off issuing a refund until 24 July.

Please confirm how you wish for us to proceed with your application.

Subject: Fw: FORMAL NOTIFICATION OF COMPLAINT TO THE LEGAL OMBUDSMAN

Dear Josh Dunne

Who has made the decision to give me a short period of time up to 24 July 2024 (point to me the official rule from the Electoral Commission's statutory guidelines) to find the second official for the TCLP-UK's registration as this is clearly a Travesty of Justice akin to how the rest of the British Justice System operates. Do you have any idea what obstacles my Party has had to overcome to get this matter to this point? There has to be a 6 month period given to me to assemble a functional team of party activists before (perhaps even longer given the circumstances that I have already discussed with you) before the revision of the registration document that is in place can take place. I am prepared to go to Court to have this granted to me.

Do you agree to this or not? - I need the answer now.

Yours sincerely

Subject: RE: Shantanu Panigrahi - registering a party

Dear Shantanu Panigrahi,

Submission of an application to register does not guarantee registration, nor is it a formality. The Political Parties, Elections and Referendums Act 2000 (PPERA) requires that an application must provide certain details and that the Commission must be satisfied that a number of statutory tests have been met. We will conduct an assessment against the legislation and come to a decision to approve or reject an application.

I can confirm that payment alone does not complete an application, nor make it compliant. Your application must include a second officer. Even were it the case that Rupa had initially agreed to be an officer of the party, she has since confirmed in writing to us that she does not wish to be part of your application and therefore the application is no longer compliant. There is no evidence that she ever agreed to be an officer of the party. You cannot prevent an officer from withdrawing themselves from the application at any time.

At this time, your application is not compliant with PERA. Where your application does not include a second officer, there are no grounds to proceed with an assessment. In my previous email, I said that we would refund your submission fee on 24 July. This is to give you a short period of time to provide details of a second officer. If you are able to provide an officer in that time, the fee you have already provided can be used for your application.

Yours sincerely,

Josh Dunne (he/him)

I waited all afternoon to see if I would receive an email from Medway County Court in consideration of my specific particulars against Kent Police under Claim J00ME572:

(af) Monarch's veto to prevent any progress in the recruitment of Members for The Conservative Libertarian Party of the United Kingdom (TCLP-UK) thereby preventing its registration with the Electoral Commission and engaging in its Global Developmental mission that has considerable importance for the author's career as an Environmental Sustainability Specialist; (£200 million);

(aj) protecting Gurpal Singh Tiwana, Daneswari Kundeti, and three RaviKumars who had agreed to act as officials of the TCLP-UK in the Registration of the Party with the Electoral Commission in conspiracy with the Commission (£1,000,000). but none came

I got the feeling that the Court officials do not wish to deal with me directly but through my barrister Forz Khan since I received the attached correspondence from the Legal Ombudsman instead. FrLegal Ombudsman File Reference(ForzKhan)10Jul2025.docx

My contention is that the Electoral Commission should register TCLP-UK now because I had completed all the formalities at one point.

Please let me know your final decision before I consider handing the matter to Mr Forz Khan again.

You will then be able to navigate to the 'Declarations' page. At the bottom of this page, please select the option 'Authorise online'.

Shantanu, once Rupa has completed this, you will be able to make payment and submission:

Navigate to the 'submit page'. Select options to pay by card.

Dear Shantanu,

Before you can submit there are the following outstanding matters:

1. You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

2. All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

3. When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

**PRESS RELEASE: NEW INTRODUCTIONS:**

**13 May 2025, 20.42 pm (UK-Time)**

Following the closure of civil and criminal proceedings as summarised here [https://archive.org/details/trapped-in-their-lies-digital\\_20250515](https://archive.org/details/trapped-in-their-lies-digital_20250515) the Conservative Libertarian Publications Limited can now proceed forwards towards recruitment of Members within the United Kingdom and globally and take part in the democratic process within the United Kingdom.

So let us look forward to a good future through a new radical approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

<https://app.joinit.com/o/conservative-libertarians/>  
<https://knowledgefoundersunited.com/>

whereas our Structure and Issues encountered are at

<https://theconservativelibertariansociety.com>

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented

<https://www.theconservativelibertariansociety.com/about-1> (About | The Conservative Libertarian Society ) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

Dear Shantanu,

Please be advised that my previous email did not indicate that the party was close to registration. We have not yet received an application from you. We aim to provide a decision to approve or reject an applications within seven weeks from it being complete, which your application is not. There is no guarantee that your application will be successful where we are required to ensure it complies with all of the statutory requirements.

You can find all of our guidance for registration here.

Additionally, I am not aware of any scheduled or pending by-elections to be called for the Gillingham and Rainham UK Parliamentary constituency.

Kind regards

You don't often get email from [shantanupanigrahi@yahoo.com](mailto:shantanupanigrahi@yahoo.com). Learn why this is important

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course.

Yours sincerely

Dr Shantanu Panigrahi

Dear Shantanu Panigrahi,

You have enquired about registering a political party with us.

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

If you require further advice about finalising and submitting this application please contact me.

Kind regards,

All aspects of environmental developments that require assessment under the scope for the Society's interactions...

I am not at clear why my emails and other communications to PEFOnline Party Registration keeps getting returned undeliverable as attached: FrPostmasterElectoralCommission(ARE YOU REJECTING MY EMAILS)4May2025.docx. I have already referred this matter to Kent Police for investigation and it has not been acknowledged by the Constabulary. The matter is awaiting adjudication by the Circuit Judge at the Central London County Court under Claim Number E35YM660, on a Hearing that has been adjourned by the Court since 20 January 2023.

Nobody is telling me anything as to why my proposed political party cannot be approved for me to contest the next byelection in my local Constituency of Gillingham and Rainham

Dear Sirs, I am an alumni of Kings College and my reputation of clean conscience is at stake that I have done everything possible to consult widely on this matter, as linked here:

<https://www.theconservativelibertariansociety.com/post/kings-connect-communication>

Therefore your immediate attention will be greatly appreciated on who is actually blocking the political registration of TCLP-UK at the Electoral Commission.
